

Molecular Plant Science M.Sc.

Application Information

Application period: 15 February – 31 March (winter term)

Semester start: October 1st (winter term)

Language(s) of instruction: English

Admission Requirements

University degree

- A bachelor' degree either in Biology , Molecular Life Sciences or Biochemistry in Germany.
- Any other bachelor's degree, provided:
 - a) Biology and Biochemistry 70 credit points (ECTS) of which 20 LP in university laboratory practicals (in molecular biology or/and biochemistry).
 - b) A scientific experimental research project in the field of molecular biology as a final thesis of at least 6LP.

All this information must be evident from the submitted documentation. Where necessary, Applicants may submit a separate letter detailing this information.

Please note: Usually, bachelor's degrees in pharmacy do not fulfil these conditions!

If you have not received your degree certificate yet, you can submit this by the end of the first semester of your master's program. Please see the "Documents to submit" section below for details.

Additional special admission requirements

Applicants must have adequate English language skills. Adequate language proficiency may be demonstrated as follows:

- IELTS 5.0;
- TOEFL (IBT 80, PBT 500, CBT 170);
- Cambridge FCE, CAE, or CPE;
- Language certificate from a University confirming at least B2 level;
- Degree from an English language bachelor degree program;
- Seven years of English lessons at a German-language school.

For details of the legal basis for this regulation, please see the admission bylaws for your chosen degree program: www.uni-hamburg.de/zugang-master.

Recognition of transcripts for degree programs completed at foreign higher education institutions

If you obtained your first degree abroad, your certificate will be reviewed during the application procedure in the faculty of your program.

If your degree certificate is not in English or German, please include a copy of a certified English or German translation of the certificate with your application documents.

Application

Online Application

You will need to complete the online application available on University of Hamburg's application portal during the application period: www.uni-hamburg.de/online-application. Please create a user account, enter your information online, upload the required documents to your online application and submit your application online.

The application procedure for the master program is an online procedure. This means that you do not need to submit any documents in paper form or via email to Universität Hamburg. Instead, you have to upload the documents. Selection is based on the information you provide online and the documents you upload.

If you want to submit an additional special application (e.g. hardship application), you will need to send this special application separately via the online application portal together with the required proofs as an upload by the application deadline. For more information on special applications, please see <http://www.uni-hamburg.de/sonderantrag> and www.uni-hamburg.de/info-master.

Documents to submit

For documents not issued in English or German, a certified English or German translation is required.

1. Degree certificate or provisional Transcript of Records that shows ECTS for each module and an overall/final grade.

If you are still studying when you apply and cannot yet provide a final certificate containing your grades, please submit your current Transcript of Records confirming your provisional grade point average. You will then need to submit your degree certificate by the end of the first semester of your master's program.

2. Titel and Abstract (max 400 words) of your Bachelor Thesis.

If you have not yet completed or started your bachelor thesis, please state the topic and a brief description of the planned work

3. English language certificate.
4. If applicable - a proof that practical courses were included in your program.
5. If applicable - Proof of additional qualification, see selection criteria b to d below.

Selection criteria

If the number of applicants exceeds the number of places available, a selection procedure will be necessary: then student selection shall be made as follows:

- a) Results of the first higher education degree
- b) Participation in a university exchange program (e.g., Erasmus, DAAD)
- c) Internships (at least 4 weeks) with a clear connection to the content of the master's degree program in molecular plant science
- d) At least 2 months' experience in a foreign country

Each of the activities completed in b) through d) will improve the grade of the first degree by 0.1. Ranking shall be calculated based on the final grade resulting from the addition of the aforementioned points.

For details of the legal basis for this regulation, please see the selection bylaws for your chosen master's program: www.uni-hamburg.de/auswahl-master

Admission and enrollment

Once your application has been reviewed, an acceptance or rejection letter will be made available in your STiNE account under the Dokumente (Documents) tab. Please see the information at www.uni-hamburg.de/online-application. An enrollment deadline will be indicated in your acceptance letter - please submit the documents required for enrollment by this date. The enrollment process is an online process. Detailed information about the enrollment process is provided at www.uni-hamburg.de/masterenrollment.
